

Pledge to the voters of Fauquier County

As your independent sheriff I will:

- 1) jail Virginia's elected officials for treason when they trade the power and trust you place with them for debts, favors and contributions.
- 2) never provide protection to the Boss Tweed and the Tammany Hall of Fauquier County.
- 3) never be a puppet of a political party.
- 4) return control of the government to you.
- 5) protect the Virginia Constitution as required by law.

Then there will be:

- 1) one set of rules.
- 2) more activities for children, teens, families and seniors.
- 3) more libraries and recreation and public safety facilities.
- 4) higher salaries for teachers and public safety personnel.
- 5) higher paying job opportunities in Fauquier County.
- 6) more trust of the government.
- 7) less crime.

“The sheriff should be the citizen's enforcer over their government, not the government's enforcer over the citizen.” Chris DeCarlo
