### “Fight For Our Lives”

I’m the fighter that’s not on the take,  
Swinging for the laws we got to make.  
But corruption’s the Champ in this town,  
I’m ready to fight; I’m ready to get down.

Put me in a match, I can make him bleed,  
A quick left and a right, he’s on his knees.  
He buys everyone, he’s all about the Bengi’s,  
I’m not doing this to meet all my friend’s needs

Character, ability, strength and the truth,  
These virtues flow straight from my roots.  
We work together to meet our demands,  
I’m not afraid to get dirt on my hands.

I won’t take money but I can take a punch,  
I’m not in this to get a free lunch.  
I buckle knees, I float and I sting,  
Get off the ropes, use your vote and put me in the ring.

I sang all their songs,  
Believed all their lies,  
Let’s get DeCarlo in Congress to fight, fight for our lives.

### “Money, Money, Money”

America’s Congress is out of control,  
We need to get together, rise up and rescue its soul.  
It’s been corrupted and we’re paying the price,  
It’s time to take it back and get rid of the vice,

Lobbyists have hijacked the American dream,  
Terrorists in disguise keep running their scheme.  
The cash that they’re slinging makes the big boys rich,  
But it’s driving our country right into a ditch.

Money, money, money,  
I ain’t fallin for it honey.  
There’s got to be somebody,  
That isn’t in a party.

Political corruption is the weapon they use,  
A subtle way to take control and to abuse.  
Political corruption is enemy number one,  
We need to improvise, adapt and overcome.

This mission is important, we’ve got to succeed,  
We’ve got to stop ‘em or we’re gonna continue to bleed.  
The cash keeps coming motivatin’ the lies,  
We’ve got to cut the flow so that the truth can survive.

Money, money, money,  
I ain’t fallin for it honey.  
There’s got to be somebody,  
That isn’t in a party.

I’m not trying to tell you it’s black or its white,  
Like the guys on the left and on the right.  
They’re trying to give blind to the sight,  
It’s up to you to get down for the fight.

Stop wasting taxes and killing all our dreams,  
Quit making wars just to feed the machine.  
Cut the red tape so we can all escape,  
If the rules are fair I’ll take you there we’ll make this country great.

I sang all their songs,  
Believed all their lies,  
Let’s get DeCarlo in Congress to fight, fight for our lives.

They keep on giving us the same two choices,  
Tell us what to think with the same tired voices.  
How could this happen, we were never consulted,  
I sit in disbelief, amazed and insulted.

Vote for me so we can finally begin,  
To right all the wrongs and cleanse all the sins.  
For and by the people is the way it’s gotta be,  
So knuckle up cast your vote and get behind me.

I’m Chris DeCarlo. We all know that this country is not where it is supposed to be. This is not what George Washington, Thomas Jefferson, George Mason or James Madison intended. This is not what they expected.

Never working with each other cause they’re just so set,  
They’re blasting each other every chance that they get.  
They’re spending all their time on the left and on the right,  
While we become the refugees of that fight.

They keep on claiming that they’re saving the day,  
But the day never comes and we all get played.  
So send in your money or you’re going to jail,  
Now you’re stuck, out of luck cause you can’t make bail.

Money, money, money,  
I ain’t fallin for it honey.  
There’s got to be somebody,  
That isn’t in a party.

The choices that they give us are always the same,  
It’s gangland government running a game.  
The issues are the bait that they want us to bite,  
While they take our every dollar like thieves in the night.

There’s so much debt we can’t last too much more,  
They’re shutting down factories from shore to shore.  
There’s not much left that they haven’t destroyed,  
Good luck collecting taxes from the unemployed.
